§1504. Methods of Transportation

A. Cost-Effective Transportation. The most cost-effective method of transportation that will accomplish the purpose of the travel shall be selected. Among the factors to be considered should be length of travel time, employee's salary, cost of operation of a vehicle, cost and availability of common carrier services, etc. Common carrier shall be used for out-of-state travel unless it is documented that utilization of another method of travel is more cost-efficient or practical and approved in accordance with these regulations.

B. Air

1. Private Owned or Charter Planes. Before travel by privately-owned or by chartered aircraft is authorized for individual's travel by a department head, the traveler shall certify that: 1) at least one hour of working time will be saved by such travel; and 2) no other form of transportation, such as commercial air travel or a state plane, will serve this same purpose.

a. Chartering a privately owned aircraft must be in accordance with the Procurement Code.

b. Reimbursement for use of a chartered or un-chartered privately owned aircraft under the above guidelines will be made on the following basis:

i. at the rate of \$1.07 cents per mile; or

ii. at the lesser of state contract rate or coach economy airfare. If there are extenuating circumstances requiring reimbursement for other than listed above, approval must be granted by the Commissioner of Administration.

c. When common carrier services are unavailable and time is at a premium, travel via state aircraft shall be investigated, and such investigation shall be documented and readily available in the department's travel reimbursement files. Optimum utilization will be the responsibility of the department head.

2. Commercial Airlines. (receipts required) All state travelers are to purchase commercial airline tickets through the state contracted travel agency (see front cover for contract travel agency contact numbers). This requirement is mandatory unless approval is granted from the State Travel Office. (In the event a traveler seeks approval to go outside the travel agency, they shall submit their request through their agency travel program administrator, who will determine if the request should be submitted to the Office of State Travel.) While the use of the contract travel agency is mandatory, the state traveler has options for the type of airfare ticket purchased. This office strongly encourages use of lowest logical airfares, not state contract fares. You should ask the contracted travel agency to check for the lowest logical rates based on your personal needs. The state always supports purchasing the "best value" ticket. Therefore once all rates are received, the traveler must compare cost and options to determine which fare would be the "best value" for their trip. To make this determination, the traveler must ask the question: Is there a likelihood my itinerary could change or be cancelled? Depending on the response, you must determine if the costs associated with changing a non-refundable ticket (usually around \$150) would still be the best value. Another factor to assist having a travel agent search the lowest fare is being able to advise the agent if you are flexible in either your dates or time of travel. By informing the travel agent of your "window of time" for your

departure and return will assist them to search for the best price.

a. Travelers are to seek airfares allowing an ample amount of lead time prior to departure date. The lead-time should be at least 14 days in advance of travel dates to ensure the lowest fares are available. Generally, the earlier a ticket is purchased, provides for lower airfares.

b. State contract airfare tickets are not available for personal, companion or spouse travel. This is a requirement of the airlines and our failure to monitor the use of these contract airfares could cause their cancellation. Therefore, persons booking tickets for non-official business using contract rates will be subject to disciplinary action as well as payment of the difference between contract airfare and full coach fares.

c. Commercial air travel will not be reimbursed in excess of lowest logical or state contract air rate when it has been determined to be the best value (receipts required). The difference between contract or coach/economy class rates and first class or business class rates will be paid by the traveler. Upgrades at the expense of the state are not permitted, without the approval of the Commissioner of Administration. If space is not available in less than first or business class air accommodations in time to carry out the purpose of the travel, the traveler will secure a certification from the airline indicating this fact. The certification is required for travel reimbursement.

d. The policy regarding airfare penalties are the state will pay for the airfare and/or penalty incurred for a change in plans or cancellation when the change or cancellation is required by the state or other unavoidable situations approved by the agency's department head. Justification for the change or cancellation by the traveler's department head is required on the travel voucher.

e. When an international flight segment is more than 10 hours in duration, the state will allow the business class rate not to exceed 10 percent of the coach rate. The traveler's itinerary provided by the travel agency must document the flight segment as more than 10 hours and must be attached to the travel voucher.

f. A lost airline ticket is the responsibility of the person to whom the ticket was issued. The airline charge of searching and refunding lost tickets will be charged to the traveler. The difference between the prepaid amount and the amount refunded by the airlines must be paid by the employee.

g. If companion fares are purchased for a state employee and non-state employee, the reimbursement to the state employee will be the amount of the lowest logical fare.

h. Traveler is to use the lowest logical airfare/state contract whether the plane is a prop or a jet.

i. Employees may retain promotional items, including frequent flyer miles, earned on official state travel. However, if an employee makes travel arrangements that favor a preferred airline/supplier to receive promotional items/points and this circumvents purchasing the most economical means of travel, they are in violation of this travel policy. Costs for travel arrangements subject to this violation are non-reimbursable.

j. When making airline reservations for a conference, let the travel agent know that certain airlines have been designated as the official carrier for the

conference. In many instances, the conference registration form specifies that certain airlines have been designated as the official carrier offering discount rates, if available. If so, giving this information to our contracted agencies could result in them securing that rate for your travel.

C. Motor Vehicle. No vehicle may be operated in violation of state or local laws. No traveler may operate a vehicle without having in his/her possession a valid U.S. driver's license. Safety restraints shall be used by the driver and passengers of vehicles. All accidents, major and minor, shall be reported first to the local police department or appropriate law enforcement agency. An accident report form, available from the Office of Risk Management (ORM) of the Division of Administration, should be completed as soon as possible and returned to ORM, together with names and addresses of principals and witnesses. Any questions about this should be addressed to the Office of Risk Management of the Division of Administration. These reports shall be in addition to reporting the accident to the Department of Public Safety as required by law. Any persons who are not official state employees must sign an Indemnification Form, located at Office of State Travel's website, <http://www.doa.louisiana.gov/osp/travel/forms.htm> prior to riding in or driving a state-owned vehicle or rental vehicle on behalf of the State. Each agency is responsible in ensuring that this along with any other necessary documents are completed and made part of the travel file prior to travel dates.

1. State-Owned Vehicles

a. No person may be authorized to operate or travel in a fleet vehicle unless that person is a classified or unclassified employee of the state of Louisiana; any duly appointed member of a state board, commission, or advisory council; and any other person who has received specific approval from the department head or his designee to operate or travel in a fleet vehicle on official state business. A centralized file must be kept containing all of these approvals. Students shall not be authorized to drive state-owned or rented vehicles for use on official state business if not employed by the State.

b. Travelers in state-owned automobiles who purchase needed fuel, repairs and equipment while on travel status shall make use of all fleet discount allowances and state bulk purchasing contracts where applicable. Each agency/department shall familiarize itself with the existence of such allowances and/or contracts and location of vendors by contacting the Purchasing Office, Division of Administration. State-owned credit cards will not be issued to travelers for use in the operation of privately owned vehicles.

c. State-owned vehicles may be used for out-of-state travel only if permission of the department head has been given prior to departure. If a state-owned vehicle is to be used to travel to a destination more than 500 miles from its usual location, documentation that this is the most cost-effective means of travel should be readily available in the department's travel reimbursement files.

d. Unauthorized persons should not be transported in state vehicles. Approval of exceptions to this policy may be made by the traveler's supervisor if he determines that it is official state business and the best interest of the state will be served and if the passenger (or passenger's guardian)

signs an indemnification form acknowledging the fact that the state assumes no liability for any loss, injury, or death resulting from said travel.

2. Personally Owned Vehicles

a. When two or more persons travel in the same personally owned vehicle, only one charge will be allowed for the expense of the vehicle. The person claiming reimbursement shall report the names of the other passengers.

b. A mileage allowance shall be authorized for travelers approved to use personally-owned vehicles while conducting official state business. Mileage shall be reimbursable on the basis of no more than 48 cents per mile per the following:

i. for official state business travel:

(a). employee may utilize a state vehicle when available;

(b). employee may rent a vehicle from the Enterprise Rent-A-Car's State Motor Pool Rental Contract; or;

(c). if an employee elects to use their personal vehicle, reimbursement may not exceed a maximum of 99 miles per round trip and/or day at 48 cents per mile.

c. Mileage shall be computed by one of the following options:

i. on the basis of odometer readings from point of origin to point of return;

ii. by using a website mileage calculator or a published software package for calculating mileage such as Tripmaker, How Far Is It, Mapquest, etc.. Employee is to print the page indicating mileage and attach it with their travel expense form.

d. An employee shall never receive any benefit from not living in his/her official domicile. In computing reimbursable mileage to an authorized travel destination from an employee's residence outside the official domicile, the employee is always to claim the lesser of the miles from their official domicile or from their residence. If an employee is leaving on a non-work day or leaving significantly before or after work hours, the department head may determine to pay the actual mileage from the employee's residence, not to exceed a maximum of 99 miles per round trip and/or day at 48 cents per mile. See Section C.2.b.

e. The department head or his designee may approve an authorization for routine travel for an employee who must travel in the course of performing his/her duties; this may include domicile travel if such is a regular and necessary part of the employee's duties, but not for attendance at infrequent or irregular meetings, etc., within the city limits where his/her office is located, the employee may be reimbursed for mileage only not to exceed a maximum of 99 miles per round trip and/or day at 48 cents per mile. See Section C.2.b.

f. Reimbursements will be allowed on the basis of 48 cents per mile, not to exceed a maximum of 99 miles, per round trip and/or day, to travel between a common carrier/terminal and the employees point of departure, i.e. home, office, etc., whichever is appropriate and in the best interest of the state. See Section C.2.b.

g. When the use of a privately-owned vehicle has been approved by the department head for out-of-state travel

for the traveler's convenience, the traveler will be reimbursed for in-route expenses on the basis of \$0.48 per mile only. The total cost of the mileage may not exceed the cost of travel by using the lesser of 1) State Contract airfare or 2) lowest logical airfare obtained at least 14 days prior to the trip departure date. The traveler is personally responsible for any other expenses in-route to and from destination which is inclusive of meals and lodging. If a traveler, at the request of the department, is asked to take their personally owned vehicle out-of-state for a purpose that will benefit the agency, then the department head may on a case-by-case basis determine to pay a traveler for all/part of in-route travel expenses. File should be justified accordingly.

h. When a traveler is required to regularly use his/her personally owned vehicle for agency activities, the agency head may request authorization from the Commissioner of Administration for a lump sum allowance for transportation or reimbursement for transportation (mileage). Request for lump sum allowance must be accompanied by a detailed account of routine travel listing exact mileage for each such route and justification why a rental vehicle is not feasible. Miscellaneous travel must be justified by at least a three-month travel history to include a complete mileage log for all travel incurred, showing all points traveled to or from and the exact mileage. Requests for lump sum allowance shall be granted for periods not to exceed one fiscal year.

i. The traveler shall be required to pay all operating expenses of their personal vehicle including fuel, repairs, and insurance.

3. Rented Motor Vehicles (Receipts Required)

a. In-State Vehicle Rental.

i. The State has contracted for rentals based out of Louisiana through Enterprise Rent-A-Car's State Motor Pool Rental Contract for business travel which applies to all State of Louisiana employees and/or authorized travelers traveling on official state business.

ii. A Department Head/Higher Education Entity Head, or his designee, may give an approval to bypass the contract, on a case-by-case basis and/or program, group or internal division provided they document the reasons and maintain this justification in the file. A request for total agency/college/university exemption may be granted by the Commissioner of Administration. Requests for exemption must be accompanied by a detailed explanation as to why the contract is not feasible.

iii. Members of boards and commissions are not required to utilize the State Motor Pool Rental Contract. They are, however, strongly urged to do so when a cost benefit analysis indicates potential savings to the state.

iv. State contractors required to follow PPM-49 by the terms of their contracts may, but are not required to, use the State Motor Pool Rental Contract.

v. Although exemptions may be granted to the State Motor Pool Rental Contract, all must adhere to the new mileage reimbursement rate of no more than 48 cents per mile for personally owned vehicles, which was effective December 21, 2009.

vi. Rentals or state owned vehicles, where available, should be used by any employee and/or authorized traveler who is eligible to receive the mileage allowance that plans to travel 100 miles or more in a trip. For trips of less

than 100 miles employees may utilize their own vehicles and receive mileage reimbursement not to exceed a maximum of 99 miles per round trip and/or day at 48 cents per mile, utilize a state vehicle when available, or rent a vehicle from Enterprise Rent-A-Car's State Motor Pool Rental Contract.

vii. Students shall not be authorized to drive state-owned or rented vehicles for use on official state business if not employed by the State.

viii. Reservations should not be made at an airport location, as this will add additional unnecessary cost to your rentals.

ix. An employee can reserve a vehicle in one of several ways using the State's Corporate ID Number **NA1403 and Company Name or PIN Number—STA.**

(a). Reserve by calling an Enterprise local rental branch directly (during business hours)

(b). By calling 1-800-Rent-A-Car (24 hours/day)

(c). Accessing the State Travel Website at http://www.enterprise.com/car_rental/home.do

(d). Note: Reservations are to be made 24 hours in advance for guaranteed vehicle class/size

b. Payments for rentals made only through the State Motor Pool Rental Contract may be made using the "LaCarte" purchasing card, an employee's corporate travel card or by direct bill to the agency. This will be an agency decision as to the form of payment chosen. If direct bill is chosen, agency must set up account billing information with Enterprise. An account may be established by contacting Joseph Rosenfeld at 225-445-7250, joseph.g.rosenfeld@erac.com.

c. Out-of-State Vehicle Rental. For vehicle rentals outside of Louisiana, the state does not provide contracts. However, the state has received price offers that will be available from multiple vehicle rental companies listed in the Louisiana Travel Guide. When a traveler is approved to rent a vehicle for out-of-state use, they may select a vendor listed in the guide or seek a lower rate.

d. Approvals. Written approval of the Department Head or his designee prior to departure is required for the rental of vehicles, however, if your agency chooses, approval may be handled on an annual basis if duties require frequent rentals. Special approval is required for rental of any vehicle above the "full size" category.

e. Vehicle Rental Size. Only the cost of a compact model is reimbursable, unless 1) non-availability is documented, 2) the vehicle will be used to transport more than two persons or 3) the cost of a larger vehicle is no more than the rental rate for a compact. When a larger vehicle is an option as stated in 1) or 2) above, the upgraded vehicle shall be the next smallest size and lowest price necessary to accommodate the number of persons traveling. Any rental vehicle not covered in the State Motor Pool Rental Contract should be bid in accordance with proper purchasing rules and regulations.

f. Personal Rental Days. Personal use of a rental vehicle during a rental for official state business is not allowed.

g. Gasoline (Receipts Required). An employee should purchase gasoline with the state's fuel card or other credit card at reasonable cost from a local gasoline station prior to returning the rental. Pre-paid fuel options are only to be allowed when the traveler can document that the pre-

purchased amount was necessary and that the amount charged by the rental company is reasonable in relation to local gasoline cost.

h. Insurance for Vehicle Rentals within the 50 United States. Insurance billed by car rental companies is not reimbursable. All insurance coverage for rental vehicles, other than Enterprise's Rent-A-Car's State Motor Pool Rental Contract, is provided by the Office of Risk Management. Should a collision occur while on official state business, the accident should immediately be reported to the Office of Risk Management, and rental company. CDW/Damage Waiver Insurance and \$1 Million Liability Protection Coverage is included in the State Motor Pool Rental Contract price through Enterprise Rent-A-Car. NO OTHER INSURANCE WILL BE REIMBURSED WHEN RENTING, EXCEPT WHEN RENTING OUTSIDE THE 50 UNITED STATES, SEE SECTION 1504.C.3.i. There should be no other charges added to the base price, unless you reserve your vehicle at an airport location (which is NOT recommended). Reimbursable amounts would then be submitted at the end of the trip on a travel expense form.

i. Insurance for Vehicles Rentals outside the 50 United States. (receipts required) The Office of Risk Management (ORM) recommends that the appropriate insurance (liability and physical damage) provided through the car rental company be purchased when the traveler is renting a vehicle outside the 50 United States. With the approval of the department head required insurance costs may be reimbursed for travel outside the 50 United States only.

(a). The following are insurance packages available by rental vehicle companies which are reimbursable:

(i). Collision Damage Waiver (CDW)—should a collision occur while on official state business, the cost of the deductible should be paid by the traveler and a reimbursement claimed on a travel expense voucher. The accident should also be reported to the Office of Risk Management;

(ii). Loss Damage Waiver (LDW);

(iii). Auto tow Protection (ATP)—*approval of Department Head;

(iv). Supplementary Liability Insurance (SLI)—*if required by the rental company;

(v). Theft and/or Super Theft Protection (coverage of contents lost during a theft or fire)—*if required by the car rental company;

(vi). vehicle coverage for attempted theft or partial damage due to fire, *if required by the car rental company

(b). The following are some of the insurance packages available by rental vehicle companies that are not reimbursable:

(i). Personal Accident Insurance (PAC);

(ii). Emergency Sickness Protection (ESP);

j. Navigation Equipment (GPS System), rented not purchased, may only be reimbursed if an employee justifies the need for such equipment and with prior approval of the Department Head or his designee.

D. Public Ground Transportation. The cost of public ground transportation such as buses, subways, airport shuttle/limousines, and taxis are reimbursable when the

expenses are incurred as part of approved state travel. Taxi reimbursement is limited to \$15 per day without receipts; claims in excess of \$15 per day require receipts to account for total daily amount claimed. At the agency's discretion, the department head may implement an agency wide policy requiring receipts for an amount less than \$15 per day.

§1505. State Issued Travel Credit Cards/CBA Accounts

A. Use. The State Travel Office contracts for an official state corporate travel card to form one source of payment for travel. If a supervisor recommends an employee be issued a state travel card, the employee should complete an application through their agency travel program administrator.

1. An employee's corporate travel card or agency CBA (Controlled Billed Accounts) must be used to purchase contract airfare. This is a mandatory requirement by the airlines in order to continue to receive discounted, non-penalty state contract airline tickets.

2. An employee's corporate travel card may also be used to purchase lowest logical airfare tickets and other travel related expenses such as food and lodging, but it is not mandatory.

3. The employee's corporate travel card is for official state travel business purposes only. Personal use on the state travel card may result in disciplinary action.

B. Liability

1. The corporate travel card is the liability of the employee and not the state. Each monthly statement balance is due in full to the card-issuing bank. Travel card accounts that become delinquent are subject to being suspended or revoked. Those accounts will not be reinstated until such time the bank determines that employee to be credit-worthy. The state will have no tolerance to assist those employees that abuse their travel card privileges. Employees with delinquent payment may have their travel privileges revoked and/or subject to other disciplinary action.

2. The department/agency is responsible for cancellation of corporate travel cards for those employees terminating/retiring state service.

3. The department/agency's travel program administrator is responsible for completing a maintenance form to transfer an employee from one state agency to another. The employee may keep the same account number, but the agency change must be reported to the bank.

AUTHORITY NOTE: Promulgated in accordance with R.S. 39:231.

§1506. Lodging and Meals

A. Eligibility

1. **Official Domicile/Temporary Assignment.** Travelers are eligible to receive reimbursement for travel only when away from "official domicile" or on temporary assignment unless exception is granted in accordance with these regulations. Temporary assignment will be deemed to have ceased after a period of 31 calendar days, and after such period the place of assignment shall be deemed to be his/her official domicile. He/she shall not be allowed travel and subsistence unless permission to extend the 31 day period has been previously secured from the Commissioner of Administration.

2. **Extended Stays.** For travel assignments approved by the Commission of Administration involving duty for extended periods (31 or more consecutive days) at a fixed location, the reimbursement rates indicated should be adjusted downward whenever possible. Claims for meals and lodging may be reported on a per diem basis supported by lodging receipt. Care should be exercised to prevent allowing rates in excess of those required to meet the necessary authorized subsistence expenses. It is the responsibility of each agency head to authorize only such travel allowances as are justified by the circumstances affecting the travel.

3. Single Day Travel

a. Meals are not eligible for reimbursements on single day travel. This means that when an authorized traveler of the state is in travel status where no overnight stay is required, no meals are eligible for reimbursement. Each department head or their designees are to determine the reasonableness of when an over night stay is justified.

b. However, the department head will be allowed to authorize single day meal reimbursements on a case-by-case basis or by type(s) of single day travel when it is determined to be in the best interest of the department. In those cases the department must keep the approvals in the travel file and must be responsible to take appropriate steps to report the reimbursement as wages to the employee.

c. If a department head or their designee determines that single day meals will be provided for, they must follow the following allowances.

i The maximum allowance for meal reimbursement for single day travel will be \$30.

(a). **Breakfast and Lunch: (\$20)** The 12 hours travel duration must begin at or before 6 a.m.

(b). **Lunch: (\$12)** Requires 12 hours duration in travel status.

(c). **Lunch and Dinner: (\$30)** The 12 hour travel duration must end at or after 8 p.m.

4. **Travel with Over Night Stay.** Travelers may be reimbursed for meals according to the following schedule.

a. **Breakfast—**When travel begins at/or before 6 a.m. on the first day of travel or extends beyond 9 a.m. on the last day of travel, or for any intervening days.

b. **Lunch—**When travel begins at/or before 10 a.m. on the first day of travel or extends beyond 2 p.m. on the last day of travel, or for any intervening days.

c. **Dinner—**When travel begins at/or before 4 p.m. on the first day of travel or extends beyond 8 p.m. on the last day of travel, or for any intervening days.

5. **Alcohol—**reimbursement for alcohol is prohibited.

B. Exceptions

1. **Routine Lodging Overage Allowances** (Receipts required). Department head or his designee have the authority to approve actual costs for routine lodging provisions on a case by case basis, not to exceed 50 percent over PPM-49 current listed rates. Justification must be maintained in the file to show that attempts were made with hotels in the area to receive the state/best rate. In areas where the governor has declared an emergency, a department head or his/her designee will have the authority to approve actual routine and conference lodging provisions on a case by case basis not to exceed 75 percent over PPM-49 current listed rates. Each case must be fully documented as to necessity (e.g., proximity to meeting place) and cost effectiveness of alternative options. Documentation must be readily available in the department's travel reimbursement files.

2. **Actual Expenses for State Officers** (Receipts or other supporting documents are required for each item claimed). State officers and others so authorized by statute (see definition under *state officer*) or individual exception will be reimbursed on an actual expense basis for meals and lodging except in cases where other provisions for reimbursement have been made by statute. Request shall not be extravagant and will be reasonable in relation to the purpose of travel. State officers entitled to actual expense reimbursements are only exempt from meals and lodging rates; they are subject to the time frames and all other requirements as listed in the travel regulations.

C. Meals and Lodging Allowances

1. **Meal Allowance—**includes Tax and Tips. Receipts are not required for routine meals within these allowances. Number of meals claimed must be shown on travel voucher. For meal rates, the inclusion of suburbs (see definition of *suburb*) shall be determined by the department head on a case-by-case basis. See tier pricing below. Partial meals such as continental breakfasts or airline meals are not considered meals. If meals of state officials on actual exceed these allowances, receipts are required.

2. **Routine Lodging Allowance.** Employees will be reimbursed lodging rate, plus tax and any mandatory surcharge. (Receipts are required) For lodging rates, the inclusion of suburbs (see definition of *suburb*) shall be determined by the department head on a case-by-case basis. When two or more employees on official state business share a lodging room, the state will reimburse the actual cost of the room; subject to a maximum amount allowed for an individual traveler times the number of employees. Department head approval must be provided to allow lodging expenses to be direct billed to an agency.

3. **Conference Lodging Allowance.** Employees will be reimbursed lodging rate, plus tax and any mandatory surcharge. (Receipts are required) Department head or his designee have the authority to approve the actual cost of conference lodging, for a single occupancy standard room,

when the traveler is staying at the designated conference hotel. If there are multiple designated conference hotels, the lowest designated conference hotel should be utilized, if available. In the event the designated conference hotel(s) have no room availability, a department head may approve to pay actual hotel cost not to exceed the conference lodging rates for other hotels located near the conference hotel. This allowance does not include agency hosted conference lodging allowances; see §1510 for these allowances.

4. No reimbursements are allowed for functions not relating to a conference, i.e., tours, dances, golf tournaments, etc.
